

VISITATION RULES

1. All visitors must provide valid photo identification. Photo identification with a date of birth and expiration date are the only acceptable forms of identification. Acceptable forms of identification are: Driver's License, Sheriff I.D., Military I.D., Passport, College I.D., DMV I.D., Social Services Benefit Card, and Immigration Card.
2. Lockers are provided for visitors, in the lobby, to secure items not allowed within the visitation room.
3. Visitor will be screened by a magnetometer prior to entering the visitation room.
4. Visitors and inmates will conduct themselves in an orderly manner at all times, with voices maintained at a moderate level.
5. Visitors and inmates will wear proper clothing.
6. No photographic or recording devices shall be permitted.
7. Visitors and inmates are not permitted to pass or transmit any material or objects from one person to another.
8. Visitors under the age of 18 will not be permitted to visit unless accompanied by their parent or legal guardian. Legal guardian is defined as an adult to whom a court of law have granted legal authority and responsibility for providing care for the child, the child's assets or both. A guardian need not be a relative of the child and may be required to produce evidence of legal guardianship.
9. At the direction of the Shift Supervisor, **ALL** prospective visitors may be **PAT SEARCHED** solely to ensure the absence of contraband. Pat Search is defined as a search by hand of an individual and articles worn while the individual is clothed.

10. If a prospective visitor(s) are unable to attend a scheduled visitation period, an inmate's time may not be saved or changed to another time period.

11. While in the visitation room, all visitors are required to remain seated in the area designated for visitors.

12. Inmates and visitors, to include infants, are allowed one brief kiss and embrace at the beginning and end of each visit. Infants are to remain in the physical control of the visitor, either on their lap or held in their arms.

13. Young children must be kept under control at all times. They are not allowed to sit on the counter top or floor. If a child or infant becomes disruptive, the visit may be terminated.

14. Inmates and visitors are allowed to hold hands over the partition during visitation.

15. Once a visitor(s) has exited the visitation room, they may not re-enter during the same visitation period.

16. Inmates may lose the right to visitation and/or a specific visitor if the inmate or visitor is found in violation of facility policy, state/federal law or statute.

17. Visitors whom appear to be under the influence of drugs or alcohol will not be allowed to visit.

18. Visitors believed to have a potentially detrimental effect on the inmate or constitute a threat to the safety and security of the facility will not be permitted to visit.
