FAQs Regarding Pistol Permit Application

Q: The application instructions say that I have to bring in the original gun receipt for the handgun that will be on my permit. Do I have to buy a handgun before I apply?

A: Yes, you must buy or put a deposit on a handgun (you will not be able to take possession of the handgun until your permit is issued). The NYS gun dealer will provide you with a receipt that lists all the handgun information. We require the original gun receipt.

Q: Where do I start filling out the Application?

A: Start where it says "Last Name". Complete the rest of the first page of the Application.

Q: Do my references have to have a pistol permit?

A: No, but they must be NYS residents to whom you are not related. Each reference must be someone who has known you well for at least one year. Unless you are military and then they can be out of state residents (they do have to sign the application).

Q: I was arrested years ago, but I don't remember the details. Do I have to list it on the Application?

A: Yes, all arrests, even those that were Sealed or Youthful Offender, must be listed. If you don't remember the details, contact the Court that adjudicated the arrest. Otherwise, put down as much information as you can.

****Remember that an undisclosed arrest will result in the denial of your application. ****

Q: What parts of the Application need to be filled out?

A: All four pages, starting at "Last Name" on page 1. Upon notarizing your signature, on the fourth page, the notary fills out the area on right, starting where it says "Jurat" (the Officer Administering Oath is the notary). Skip to the bottom of the page and enter the pistol/revolver information from your gun receipt into the section.

**** We do have notaries on site****

Q: Do I have to attach a photo to the Application?

A: No. We will take your photograph upon submitting your application.

Q: I already changed my drivers license at Motor Vehicle and they told me to write the address on the back of the license. Do I need a new license?

A: Yes. Our Judge requires the license to match the information on the application. When the license is issued it will be rejected by NY State if they do not match.
